

## Required Components for New Patient E/M Services

New Patient E/Ms	<i>Requires 3 key components</i>	<u>HPI</u>
<b>99201</b>		Location; Quality; Severity; Duration;
History of Present Illness (HPI)	1-3 elements	Timing; Context; Modifying factors;
Review of Systems (ROS)	N/A	Associated signs or symptoms
Past Family Social History (PFSH)	N/A	
Problem Focused Exam	1 body area or organ system	<u>ROS</u>
Medical Decision Making	Straightforward Complexity	Constitutional, Eyes; Ears, nose,
<b>99202</b>		Throat; Cardiovascular; Respiratory;
HPI	1-3 elements	Gastrointestinal; Genitourinary;
ROS	1 system	Musculoskeletal; Integumentary;
PFSH	N/A	(skin and/or breast); Neurological;
Expanded Problem Focused Exam	2 -7 body areas or organ systems	Psychiatric; Endocrine; Hematologic/
Medical Decision Making	Straightforward Complexity	Lymphatic; Allergic / Immunologic
<b>99203</b>		<u>PFSH</u>
HPI	4 or more elements	Past, Family, and/or Social History
ROS	2-9 systems	<u>EXAMINATION</u>
PFSH	1 item from <u>any</u> of the 3 areas	<b>*Body areas:</b> Head, (including face);
Detailed Exam <sup>1</sup>	2 -7 body areas or organ systems	Neck, chest including breast & axillae
Medical Decision Making	Low Complexity	Abdomen; Genitalia, groin, buttocks;
<b>99204</b>		Back, including spine, each extremity.
HPI	4 or more elements	<b>*Organ systems:</b> Constitutional - e.g.
ROS	10 systems	Vital signs, general appearance; eyes
PFSH	1 item from <u>each</u> of the 3 areas	Ears, nose and throat; cardiovascular;
Comprehensive Exam	8 or more body areas or organ systems	Respiratory; gastrointestinal;
Medical Decision Making	Moderate Complexity	Genitourinary; Musculoskeletal; skin;
<b>99205</b>		Neurologic; Psychiatric; Hematologic
HPI	4 or more elements	Lymphatic/immunologic.
ROS	10 systems	<b>Exception: Novitas requires 4-7 body areas or organ systems for detailed exam</b>
PFSH	1 item from <u>each</u> of the 3 areas	
Comprehensive Exam	8 or more organ systems	
Medical Decision Making	High Complexity	

## Required Components for Established Patient E/M Services

<b>Established Patient E/Ms</b>	<i>Require 2 of 3 components</i>	<b><u>HPI</u></b>
<b>99211</b>		Location; Quality; Severity; Duration;
History of Present Illness (HPI)	<i>May not require presence of</i>	Timing; Context; Modifying factors;
Review of Systems (ROS)	<i>a physician or NP/PA but</i>	Associated signs or symptoms
Past Family and/or Social History (PFSH)	<i>Supervision required.</i>	
Problem Focused	<i>Presenting problems minimal.</i>	<b><u>ROS</u></b>
Medical Decision Making		Constitutional, Eyes; Ears, nose,
<b>99212</b>		Throat; Cardiovascular; Respiratory;
HPI	1-3 elements	Gastrointestinal; Genitourinary;
ROS	N/A	Musculoskeletal; Integumentary;
PFSH	N/A	(skin and/or breast); Neurological;
Problem Focused	1+ body area/organ system	Psychiatric; Endocrine; Hematologic/
Medical Decision Making	Straightforward	Lymphatic; Allergic / Immunologic
<b>99213</b>		<b><u>PFSH</u></b>
HPI	1-3 elements	Past, Family, and/or Social History
ROS	1 system	<b><u>EXAMINATION</u></b>
PFSH	N/A	<b>*Body areas:</b> Head, (including face);
Expanded Problem Focused	2 -7 body area/organ systems	Neck, chest including breast & axillae;
Medical Decision Making	Low Complexity	Abdomen; Genitalia, groin, buttocks
<b>99214</b>		Back, including spine, each extremity.
HPI	4 or more elements	<b>*Organ systems:</b> Constitutional - e.g.
ROS	2-9 systems	Vital signs, general appearance; eyes,
PFSH	1 item from <u>any</u> of the 3 areas	Ears, nose and throat; cardiovascular;
Detailed Exam <sup>1</sup>	2 -7 body area/organ systems	Respiratory; gastrointestinal;
Medical Decision Making	Moderate Complexity	Genitourinary; Musculoskeletal; skin;
<b>99215</b>		Neurologic; Psychiatric; Hematologic/
HPI	4 or more elements	Lymphatic/immunologic.
ROS	10 or more systems	
PFHS	1 item from 2 of the 3 history areas	<b>Exception: Novitas requires 4-7 body areas or organ systems for detailed exam</b>
Comprehensive Exam	8 or more organ systems	
Medical Decision Making	High Complexity
